“A team is not just a group of individuals – it is an assembly of diverse skills, philosophies and strengths. The resulting ideas stretch further than any single talent could reach.”

SSDG has an immediate position for a Registered Senior Interior Designer or Registered Architect in BC who is interested in interior design. The successful candidate will take ownership and responsibility of commercial projects of all sizes; corporate, hospitality, and retail.

You have the confidence and presentation skills to represent SSDG, understand the process from programming to move-in, have the skills to coordinate the entire project team and the experience to manage the design, resources and contracts for multiple projects.

To be successful in your application you must possess the following:

- Minimum of 10 years' experience working in commercial design
- Creative vision
- Excellent design and communication skills
- An extensive understanding of contract documentation
- Extensive site experience, working with contractors
- An exceptional eye for detail and high standards
- Excellent organizational skills
- Ability to lead a team on projects of all sizes
- Work independently
- Exercise good judgment
- Demonstrate excellent decision-making skills
- Proficiency working with AutoCAD, Word, Excel
